DRAFT 0910 RACE CALENDAR

Although the race calendar at this stage is still in draft form (a number of dates & events are still to be confirmed, as indicated by an *), here is a preview for members, just so you know that there is a terrific season of racing in the pipeline: (NB: see link on website now)

STATE SERIES:

Stay tuned for the announcement of our 0910 State Series Races (a limited number of high quality events)...

TRIATHLON AUSTRALIA SEEKS TREASURER (please note it's TA, not TriSA)

Triathlon Australia (TA) is the peak national sporting organisation responsible for the strategic direction of the sport including the management, administration, marketing and promotion of all levels of triathlon throughout Australia.

Responsible for determining the direction of the sport, setting policy and ensuring the implementation of the same is a Board of 6 elected members (as done by the State and Territory Member Associations) and up to 3 appointed (independent) members.

Due to business commitments, the current Treasurer has had to stand down, effective immediately. TA is therefore seeking expressions of interest from any person appropriately qualified to assist TA implement its strategic and operational plans and, more specifically, oversee and assist in the preparation and management of TA's financial affairs. With exceptional recent international results, world championships being held in Australia and commencement of the next strategic plan, this is an exciting opportunity for appropriate candidates to shape the direction of the sport.

Expressions of interest are to be in writing, accompanied by a resume, and directed to:

The President, Triathlon Australia Ltd. Email: info@triathlon.org.au

For a position description of a Board member and an outline of the process to be nominated to the Board, please [click here](#).

TriSA ELECTED DIRECTOR POSITIONS:

Nominations for these positions closed yesterday, and it's rather disappointing to report that only 6 nominations were received, all from existing committee members. While these 6 are proven performers who will bring a wealth of experience and their continued enthusiasm to the Board, it would have been nice to see some young blood taking an interest...

MEMBERSHIP RENEWAL

Thank you to the 200 members who have already joined, and for those who haven't, don't forget that the senior fee will rise by \$5 as of 1st August, so do it now!! (please...)

AGE GROUP WORLDS NEWSLETTER attached for info.

This should have been sent directly to all the AGers registered for the Worlds, but I've attached a copy here for anyone else who may be interested in keeping up with these exciting events. (NB: see link on website)

NO GATTI DUATHLONS

Duathlon lovers will want to make the most of the Tribe's opportunity, as Gatti have unfortunately decided not to run their planned duathlons in August and October (enquiries or complaints about that to the Race Directors please, not us!).

STATE SERIES LOGO WINNER

We had some terrific entries in the Logo design contest, and the winner happens to be an Adelaide boy (we didn't know that until after choosing his design)! Thanks to all those who provided feedback on the entries. Here's our new logo (it will be displayed together with the TriSA 3 arches logo, so there was no need to specify Triathlon South Australia in words, but the images do the talking):

NEW TRI-BABY! Welcome to Max John Pidgeon

We do it outdoors.

Congratulations and best wishes to our sponsor John Pidgeon (Step Into Life) and his wife on the arrival of baby Max last week. John writes: "Weighing in at a healthy 8' 10, he is booked for his first skinfold measurements this weekend with his Mum and Dad to ensure no excess weight is gained!!!! VO2 max test to follow".

SPEAKING OF SPONSORS – EVERYDAY PA has come on board as a Gold Sponsor for 2009/10

Every Day PA is an Adelaide Lifestyle Management company, also known as a concierge and errand running business.

Their Life Assistants can research, plan, coordinate and organise anything that you need to get done. No job is too small, too menial or too difficult to entrust to them.
