

State Sprint Championship

TriSA regrets to announce that it has foregone its right to conduct the 2010/11 State Sprint Championship and has reallocated the championship to Event Strategies where it will be combined with the time honored Sam White Triathlon on 16 Jan 2011 at West Lakes.

TriSA has not abandoned its strategic intent of developing a viable business model to present a Premier Event in Adelaide.

Club Championship

Earlier this year Clubs were surveyed on the future construct of the club Championship. Disappointingly only four Clubs responded and their feedback was inconclusive. As a result the Board made the following decision.

- The Club Championship will be retained.
- It will be contested for at a single race.
- Both the main and short event results will count.
- There will be two categories
 - Outright points
 - Weighted Points
- The weighted points will be calculated as to the number of TriSA affiliated Club members who hold a Triathlon Australia Race Licence as at 30 Dec 2010
- Trophies only will be awarded, **no cash**.
- Pointscore and weightings will not be revealed until the TriSA Presentation Night.

The 2010/11 Club Championship will be held in conjunction with the State Sprint Championship on the 16th Jan 2011. Clubs are encouraged to actively promote TriSA membership and participation in the State Championship.

TriSA Membership

In 2009/10 we cracked the magic 500 membership mark; current renewals are at 60% of last year's total. Members are reminded its time to renew to benefit from race entry discounts, sponsorship discounts and importantly have insurance cover as you commence your training programs.

To gain State Series points, State Championship honors and Club Championship points you must be a current (2010/11) TriSA member and hold a current TA licence. Memberships can be renewed online now.
